## New Databases Added!

**Chilton Online Auto Repair** is now available for FREE! - all you need is your library card!

Chilton can be accessed from anywhere and gives you detailed information you need to

tackle vehicle maintenance and repairs. And continuing in the tradition of improving access while remaining cost-conscious, we're now moving from the printed *McKinney's Consolidated Laws of NY* to **Westlaw Online**, a database for legal and law related materials and services, available for in-house use at the library. The database has automatic continuous updating and is easier to navigate and search through keywords. The subscription service offers access to the following:

**New York Primary:** NY Statutes (McKinney's), NY Case Law, New York Code, Rules & Regulations (NYCRR), NY Law Reviews & Journals, NY Digest of cases

**New York Analytical:** NY Jurisprudence, NY Practice Series (titles dealing with all areas of law including Family, Real Estate, Wills, Zoning, Contracts, etc.), McKinney's NY Forms (all titles), New York related treatises

We now have an additional source of eAudio books available through **Recorded Book's OneClick Digital**.

This new service – with eAudio books for adults, children, and young adult – offers over 4,400 titles with a 14-day loan period, and patrons may return a title early. Five digital audio books may be checked out at any one time, and many titles allow simultaneous use, which eliminates hold queues and wait times for patrons!

Additionally, there is an app available for iOS, Android, Kindle, and Nook. Please note that when logging in, patrons must say their home library is "Live-brary" rather than "Emma Clark" because this shared service is provided through the Suffolk Cooperative Library System.

## New Teen Website

Have you seen our new teen website, [teen.emmaclark.org](http://teen.emmaclark.org)? The website was created by in-house staff and is consistent with the new main webpage, which was unveiled last year. The teen homepage highlights the latest happenings in the Teen Department and recommended reading. Some notable features include information about library programs and events specific to teens, online databases and homework help, free downloads (books, magazines, music), and reading lists such as "Books for Guys," "If You Liked Hunger Games," and "Multicultural Books." All content will be kept fresh and up-to-date and connects patrons easily to resources that are perfect for teens.

There were Confederate ships marauding within eight miles of Montauk Point, anti-war protests and a little-remembered draft riot in Jamaica in 1863.
