One key recipe ingredient for raising a  
successful child is...

Emma Clark Library's  
**1000 Books**  
by Kindergarten

Studies have shown that a child's reading success in kindergarten and beyond is directly related to their pre-reading experiences from birth to age five. A child who is read to is more likely to read at or above grade level at the end of 2<sup>nd</sup> grade and will be successful readers and learners throughout their life.

Emma Clark Library is dedicated to early childhood education. This new web app is our design and is exclusive to our Library. Check it out! The Children's Librarians have chosen many age appropriate titles for your children from birth to 5 years. Keep your list of read books on our site. If your child has a favorite that he/she loves to reread, you can read it and add it to the list as many times as you like.

Don't Wait! Now's the time to take advantage of this opportunity to get your child started on a successful path.

Let's get started.

## In Memoriam

### *Cynthia Ginsberg*

Cynthia Ginsberg, a long-time library board member, having served on the Emma S. Clark Memorial Library Board of Trustees for over 13 years, recently passed away. Mrs. Ginsberg, a retired Three Village Central School District teacher joined the board in December of 2000 as a trustee and went on to serve as Secretary (2003-2004), Treasurer (2005), Vice-President (2006-2007), President (2008-2009) and continued to serve as a trustee from 2010 – 2014. Mrs. Ginsberg considered her work on the board to be part of her civic responsibility and worked tirelessly to ensure that the library remained a place for free and open exchange of ideas, education and a welcoming place for all. The Board of Trustees recognizes her many contributions to the library and to the Three Village community. She will be missed.

This newsletter is dedicated to her memory.

The Emma S. Clark Library's 2014 "Advanced Battle of the Books" team, *The Seven Deadly Wins*, participated in the countywide "Advanced Battle of the Books" competition at Brentwood Library on March 28<sup>th</sup>. Congratulations to all team members for doing a great job!
