

GOOD
NIGHT,
JUDY

It's time for bed,
Judy!

But Judy
doesn't want
to go to bed.

What's wrong?

asked Judy's mother later.

I'm scared of the noises in the dark.

Her mom smiles.

Don't worry!
There's nothing
to be scared of!

And she turns
off the light.

Closing her eyes,
Judy tries to
fall asleep.

Suddenly, she hears
a sound.

CREAK!

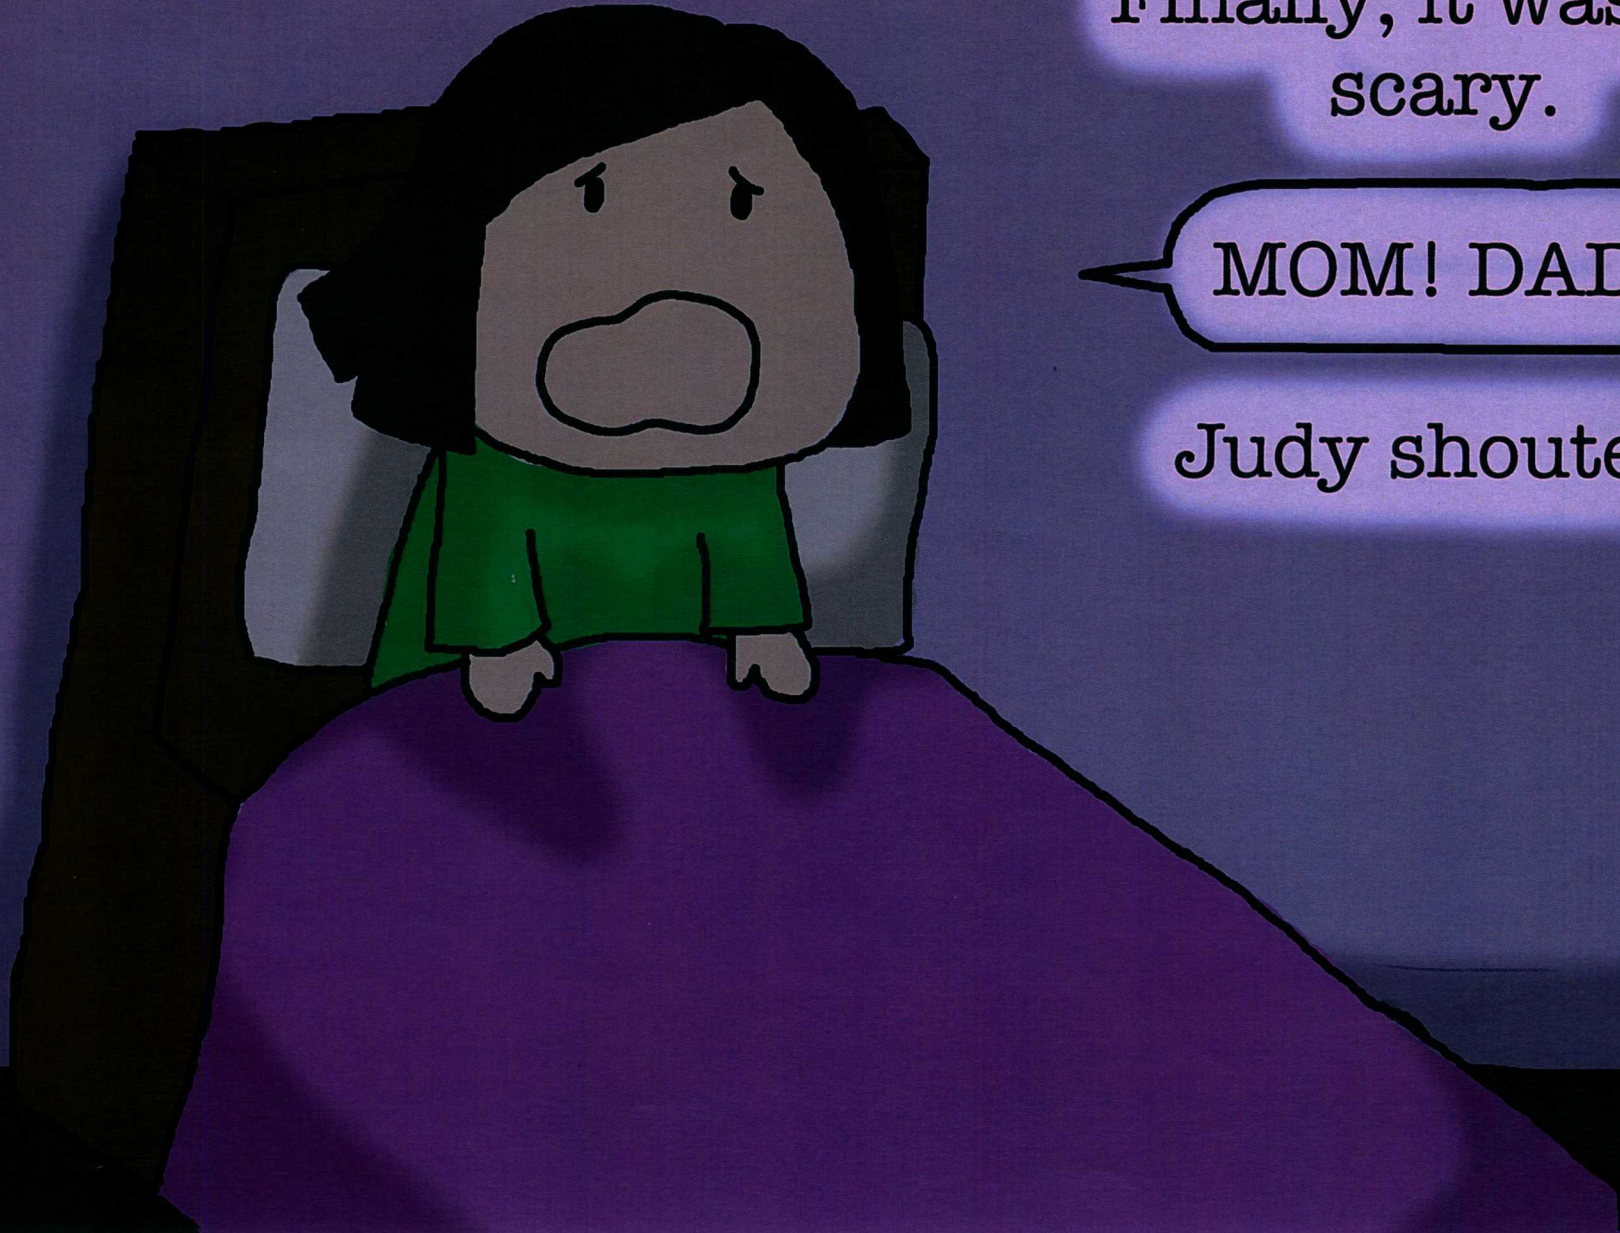

Like someone walking
across the floor.

SWISH!

Like the sound of
something at the
window.

Squeezing her eyes shut, Judy thought about what might be making the noises.

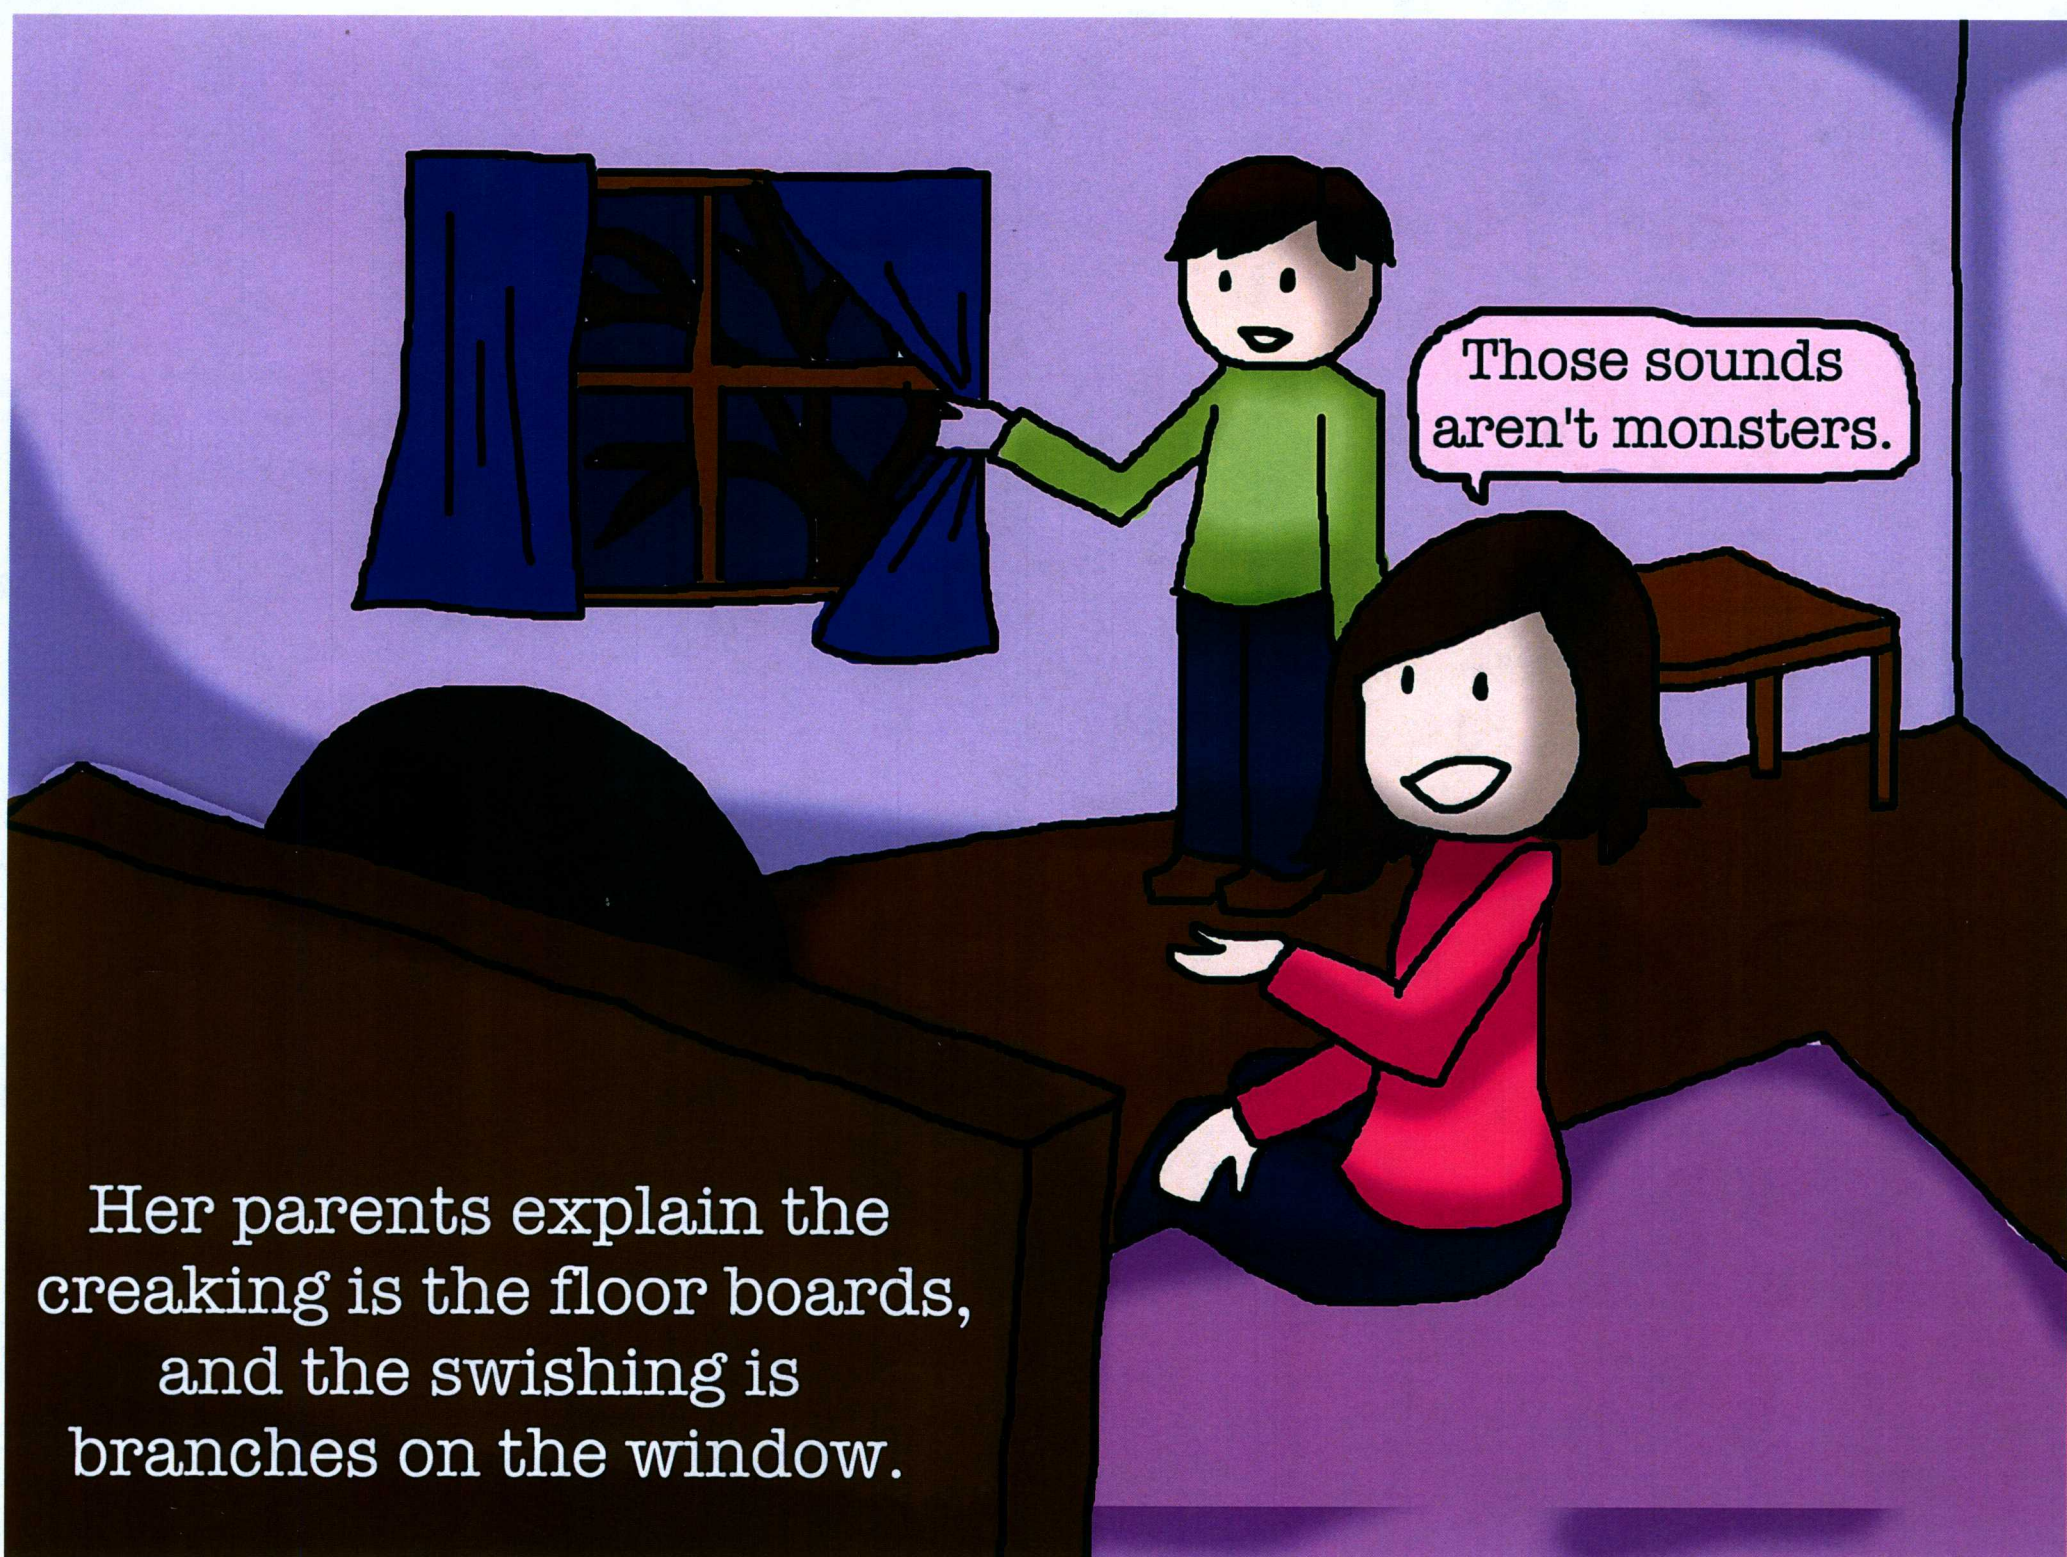

Finally, it was too
scary.

MOM! DAD!

Judy shouted.

When her parents came,
Judy told them about
the sounds she heard.

Those sounds aren't monsters.

Her parents explain the creaking is the floor boards, and the swishing is branches on the window.

Do you feel better now?

Yup. Thanks!

The floor and
branches still made
noise, but Judy was
not scared anymore.

Soon, she was fast
asleep.

NIGHT**
