# Emma Clark Library

*"The Heart of the Three Village Community"*

As you know, the safety of our patrons and staff remains a top priority. Emma Clark Library's building will remain closed as per official directives and guidance, in order to do our part in stopping the spread of COVID-19. Thankfully, the Library as a source of information, learning, and entertainment is still very much here for the community. We have a myriad of online resources, many of which are highlighted in this mailing. And our staff is working hard to bring new services during this time of social distancing, which you will also find here. Please visit our social media pages and website, as we will be providing updates frequently. We're also checking emails and phone messages. One thing is certain -

**Three Village is strong and resilient, and we will get through this together.**

All of us at Emma Clark Library send our very best wishes to you and hope that you and your loved ones stay healthy and safe. We look forward to welcoming you back to our historic building soon.

## For the Family

### "Virtual Classes & Events"

We're happy to bring you an exciting service that we're introducing for the first time during the current COVID-19 crisis while the Library is closed.

Our "Virtual Classes & Events" will feature online classes and events that you can watch from home. To get started, visit [emmaclark.org](http://emmaclark.org) and click on the Virtual Classes tab.

During this temporary closure period, we have increased the number of movies that patrons may watch through Hoopla to 15 titles per month.

## VIRTUAL MUSEUM VISIT

You may not be able to visit the building, but you can do virtual tours and immerse yourself in art, culture, and science! We have a handy listing of virtual museum tours right on our website at [emmaclark.org/museum-passes](http://emmaclark.org/museum-passes).

### 3D Printers from Suffolk Libraries Being Used to Help Create Face Shields

In a project coordinated by the Suffolk County Library System (SCLS) and in partnership with Stony Brook University, Suffolk County Libraries have joined together to create face shields for the heroes in our hospitals!

SCLS reached out to libraries with 3D printers and asked them to consider having them temporarily shipped to SCLS where they could be organized into a "printer farm" to make the headband portion for face shields used by medical personnel.

For libraries that didn't own a 3D printer, such as ours, SCLS offered the opportunity to purchase one immediately through a coordinated order and add it to the "printer farm."

We're happy to announce that Emma Clark Library has purchased one of the printers so that we may also participate in this important effort to help our hospital heroes. In total, Suffolk libraries now have over 90 3D printers working together on production. Once the crisis is over, our new 3D printer will come back to the Library for the Three Village community.

## At-Home Community Service Opportunities for Grades 6 – 12

Please note age for each.  
Grade 6 included where noted.

These are **THREE** new options while we are in this temporary closure period:

1. Record yourself reading a picture book for kids or telling the world why Emma Clark Library is important to you! (Grades 6–12)
2. Create bookmarks to be used as a free giveaway in our lobby when we reopen. (Grades 7–12)
3. Write a letter of encouragement to hospitals, skilled nursing centers, long term care facilities and assisted living facilities. (Grades 6–12)

**And remember, you can always do a Teen Book Review from home!** Write up to 3 reviews per quarter (Feb-Mar, Apr-Jun, Jul-Sept, Oct-Dec). An accepted review earns you 3 hours of community service credit. (Grades 7–12)

Please visit [emmaclark.org/VirtualTeenCommunityService](http://emmaclark.org/VirtualTeenCommunityService) for all of the information and guidelines.
