It is the Library's understanding that the purpose of this notification is to provide for, to the extent possible, the safety of its patrons and their children.

In order that the information received by the Library can be most effectively utilized to secure, to the greatest extent possible, the protection of the Library's patrons and their children utilizing Library programs and facilities, the Library Director will immediately relay information received within the "Notification" received by the Library to all pertinent Library personnel, including Library administrators, professional staff, security or other personnel [individuals] deemed by the Director to be in a position to appropriately utilize the information to protect the interests of the Library's patrons and their children utilizing Library facilities.
