## ATTENTION

OverDrive is in the process of retiring the OverDrive app in favor of utilizing Libby as the primary app for accessing the OverDrive digital collection (eBooks, eMagazines, eAudiobooks, music, movies).

### Here's what you need to know:

The OverDrive app will be removed from the Apple Store, Google Play, & the Microsoft store in FEBRUARY 2022. Current users will still be able to access the OverDrive app for several more months to ease the transition.

We encourage you to make the switch to the Libby app soon, as we know that the OverDrive app will be retired eventually, but we don't have an exact date yet.

*Our Librarians are here to help you get started!*

For more information, visit [resources.overdrive.com/libby](https://resources.overdrive.com/libby).
