Café Update

(as of June 2023)

Big news! We've selected a food & beverage vendor from a pool of candidates to operate the Library's new café, slated to open later this summer: **Level Up Kitchen**, a local business currently operating out of the Flowerfield complex in St. James. It's owned by Three Village native and chef Chelsea Gomez.

Ms. Gomez has a degree in Culinary Arts and was Executive Chef at Pentimento Restaurant. She is fully invested in the community – she grew up in Setauket and is currently raising her young family here.

More information on the café and Ms. Gomez's background may be found here:

The new Teen Volunteer Applications are now open. These online applications show your interest in volunteering at the Library for various opportunities such as maintaining our Little Free Library, helping with Children's programs, transporting donations, etc.

There are 3 forms:

1. Library Teen Volunteering in the Community (a.k.a. offsite library projects)
2. Library Teen Volunteering in the Library
3. Parent/Guardian Permission Form for Library Teen Volunteers

These applications are ongoing and year-round. You only need to fill them out once, and you're good to go for as long as you'd like to volunteer with us.

Find all forms here: teen.emmaclark.org/library-teen-volunteering.

***Important note: These forms are NOT for community service classes that you register for individually. By filling out these forms, teens will be on a list of volunteers & contacted to assist with events and programs as needed.
